

# Van's Aircraft Event / Fly-in Request

Would you like to have a representative of Van's Aircraft at your Event or Fly-in?

The crew here at Van's is very enthusiastic about letting as many people as possible look at, touch, sit in and fly these great aircraft. We'd like to have a factory aircraft and pilot available for every fly-in, EAA meeting or gathering of 'plane people' that's held. Unfortunately, we have far more requests to attend these events than we have pilots and aircraft. To that extent, we would like those requests as early as possible so we can schedule our planes and pilots in a way that allows us to attend as many events as possible.

If you have an event that you'd like Van's Aircraft to attend, please let us know the details of that event at least 6 months in advance. We'll do our best to schedule our planes and pilots so that your event is included.

Please send requests via email to:  
[scottr@vansaircraft.com](mailto:scottr@vansaircraft.com)

or by snail-mail to:  
Van's Aircraft (Fly-In Request)  
14401 NE Keil Rd.  
Aurora, OR 97002

or Fax to:

Thanks very much for your support and enthusiasm!
