

# Van's Aircraft United States Military/Veteran Kit Discount Program Program Verification Form

Complete the following information and submit with the required documentation and a copy of your state-issued ID to [USA-Military-Program@vansaircraft.com](mailto:USA-Military-Program@vansaircraft.com) and FAA student/pilot certificate to verify eligibility for the 5% US military discount. *Note that to receive the discount, you will need to specifically request the discount for each kit at the time of order.* We are unable to apply a discount after the order has already been processed. Once you have been verified as eligible for this program, you will not need to re-verify, but you do need to request the discount each time.

## Documents used to verify eligibility – submit along with this form:

### Active duty United States Military personnel (including National Guard and Reserve)

- Military identification showing current active duty status

### United States Veterans

- US State driver's license showing veteran status
- US Federal Veteran ID card
- US Veterans' Administration card showing current eligibility for VA benefits
- US Department of Defense form DD Form 214 (contact us prior to sending so we can discuss removing any sensitive data)

### Retired US military personnel

- Department of Defense DD Form 214

### Student/Pilot Certificate

**Complete the following and submit this form to Van's Aircraft at the email address above along with the necessary proof of eligibility and identification:**

Your name: \_\_\_\_\_

Your email address: \_\_\_\_\_

Previous RV aircraft serial number (if applicable): \_\_\_\_\_

Military Branch: \_\_\_\_\_

Choose one:

- Active Duty Regular Military
- Active Duty Guard
- Active Duty Reserve
